

Rules for the competition

1. All photos must be taken during Photo Marathon 2010, from Saturday 28. August 11 am to Sunday 29. August 11 am. The first 12 photos must be taken before 11.30 pm.
2. You may not change your camera during the competition. If you have trouble with your camera please contact Photo Marathon, and we will help you to the best of our abilities.
3. Images should be in JPG. Cameras that are not able to take jpg, can not be used in Photo Marathon 2010.
4. Photos should be placed in one folder on the memory card. The folder should only contain the photos for the competition.
5. Images must be in the order as listed on the topic list. This means that topic 1 must be first on the memory card, followed by topic 2, 3, 4 etc.
6. Topics should be taken in right order. It is the time according to exif data that counts.
7. You can delete a photo on the memory card before you continue to the next topic.
8. You may choose any given settings on your camera before taking the photo (black/white, sepia, filters etc.).
9. It is not permitted to edit the images or to use an image-processing program.
10. You may not change the file-name or exif-data.
11. You will have to show up every fourth hour at the checkpoint where we hand out the next four topics and a stamp in your participant certificate.
12. The judges are sovereign deciders whether rules have been violated.
